About Entertainment Career Connection, Inc.

Founded in 1984, the Entertainment Career Connection, Inc., a fully accredited academic institution certified by the National Private Schools Accreditation Alliance, has provided mentor apprentice programs for the film, radio, television and the music recording industries in more than 100 U.S. cities in all 50 states. The programs, where graduates find their dream careers, provide the entertainment industry with apprentices and entry level employees.

Entertainment Career Connection has a reputation for having the finest radio, music production and [film school alternative](#) program curriculums in the entertainment media industry. Unlike any other school, students learn from successful mentors in real world situations including active recording studio sessions, on real film sets and at actual on air radio stations as opposed to simulated classrooms where the pressures of client interaction and real deadlines do not exist. Applicants are screened and then re-screened by the mentors. The company's programs can be completed in approximately half the time of degrees obtained from other schools.

The Entertainment Career Connection offers a complete financial aid package from Sallie Mae, the nation's leading provider of student loans, and other financial aid programs.
