Film Connection Testimonials

"With Film Connection you learn more do more and are better equipped to get a job in the film industry upon graduation. Those over-priced film schools just don't work. –Mars Callahan, Writer, Director and Mentor, *Pool House Junkies*

"If you want to learn to write screenplays don't go to a regular college and take courses from an instructor who is not making their living in Hollywood. Film Connection Screenwriting School hooks you up with a real screenwriter so you can learn the craft from someone like me while we work on your screenplay."

–Christian Darren, Screenwriter and Mentor, *Surf's Up*

"I started getting my first breaks within six months of starting the Entertainment Career Connection Film School in the year 2000. It is much more practical and real world than traditional film schools. I did my first two shorts the first year, and then got a great job as a production coordinator. Today, I have directed my first full length feature film which is in Target, WalMart, and Hollywood Video and is being distributed by York Entertainment. I am now a mentor in New York City for Entertainment Connection and have my own production company." –

Derek Cohen, New York City

"I particularly like gaffer and grip work. It fascinates me the way light is modified and changed to fit certain purposes. Recording Connection sounded too good to be true, but it isn't. The program works. This is not just an internship it's an apprenticeship. –

Tervel Yurukov, Production school Student, Chicago, IL
